

<u>item no.</u>	Invider.Lamp.Large.Terre
<u>dimensions.</u>	19"H x 18"D x 9"W

**The Invider lamp with its curvaceous form has a character all its own. The fabrication process involves molding, polishing, and waxing the proprietary handmade bioplastic pulp composed of recycled paper, flour and plaster. The final product is soft, tactile, and full of personality. Made in France by designer Henri Dejeant.
 Accommodates (1) G9 LED bulb. Note dimensions are approximate, as each piece is slightly irregular due to the production process.
